

## CSU College-Focused Rapid Re-Housing Program

The California State University system received an allocation in the 2019/2020 budget of \$6.5 million annually to implement rapid rehousing at CSU campuses. The system issued a [Request for Proposals](#) as part of their systemwide [basic needs initiative](#). The goals as outlined in the RFP for the funding are to:

- Build and continue an ongoing college-focused rapid rehousing program on campus
- Establish partnerships with at least one community-based housing provider to offer wraparound services and rental subsidies for eligible students
- Connect students with community case managers who have knowledge of and expertise in accessing safety net resources
- Establish ongoing emergency housing procedures, including both on- and off-campus resources
- Provide emergency grants necessary to secure housing or prevent the imminent loss of housing
- Conduct assessment and evaluation to track outcomes and guide program/service improvements

The system selected the following seven campuses in early 2020 to implement the program.

- Chico State
- Cal State Long Beach
- Cal Poly Pomona
- Sacramento State
- San Diego State
- San Francisco State
- San Jose State
- Cal State Northridge
