WHEN **Thursday, July 1, 2021**
10:00 AM - 11:00 AM

WHAT On July 1, 2021, counties that use the CalWIN payment system will begin to receive the new housing supplement for the Transitional Housing Placement for Non-Minor Dependents (THP-NMD), which aims to address the high cost of housing in certain regions.

This new resource will supplement the THP-NMD rate paid to providers on behalf of youth placed in their programs based on the cost of housing in that county according to Fair Market Rent. A higher amount will be provided to house youth who are custodial parents.

This webinar will provide a brief history of the establishment of the THP-NMD Housing Supplement; an overview of technical information including the phased-in implementation timeline, supplement amounts by county and intended use of funds; as well as anticipated impact of the new resource and a Q & A session.
