Visual Step-by-Step FAFSA Guide for CA Youth Who Have Experienced Homelessness

October 2021

This Guide is intended to compliment the Financial Aid Guide for California Homeless Youth with screen shots of the actual online FAFSA application and detailed step-by-step instructions for youth currently or formerly in the foster care system.

Please reference the full Guide for information on the different types of financial aid, what to do after the FAFSA, and how to maintain financial aid.

<https://jbay.org/resources/financial-aid-guide-for-ca-homeless-youth/>

Disclaimer

- While we have made every effort to be accurate in this guide, financial aid programs change. Be sure to get current information.
- **This guide is intended for youth who have experienced homelessness in California who qualify for “Independent Student Status” on the FAFSA.** If you do not qualify for “Independent Student Status,” you will need to complete the Parental Demographics section and provide financial information about you and your parent(s). Information about this process is not included in this guide.
- **If you are an undocumented student**, including DACA recipients, remember to fill out the California Dream Act Application (CADAA) at dream.csac.ca.gov instead of the FAFSA. If you are a California undocumented student, you should use the CADAA even if you were a DACA recipient and granted a temporary Social Security Number. Visit <https://jbay.org/resources/financial-aid-guide-for-ca-homeless-youth/> for a Visual Guide of the CADAA.
- **If you are a current or former foster youth who was in foster care at least one day after your 13th birthday or in a court-ordered legal guardianship**, you may also qualify for “Independent Status” and should visit the financial aid resources for foster youth to learn more: jbay.org/resources/financial-aid-guide/

How to Apply for Financial Aid

Where to Apply for Financial Aid

**IF YOU ARE A U.S. CITIZEN, A
PERMANENT RESIDENT OR OTHER
ELIGIBLE NON-CITIZEN**

**Complete the Free Application for
Federal Student Aid (FAFSA)**

Apply at: fafsa.ed.gov

What is an eligible non-citizen?

Examples include a U.S. permanent resident who has a green card (Permanent Resident Card), a conditional permanent resident with a conditional Green Card, or a "refugee." You can find the complete list on the FAFSA.

OR

**IF YOU ARE AN UNDOCUMENTED
IMMIGRANT**

**Complete the California Dream Act
Application (CADAA)**

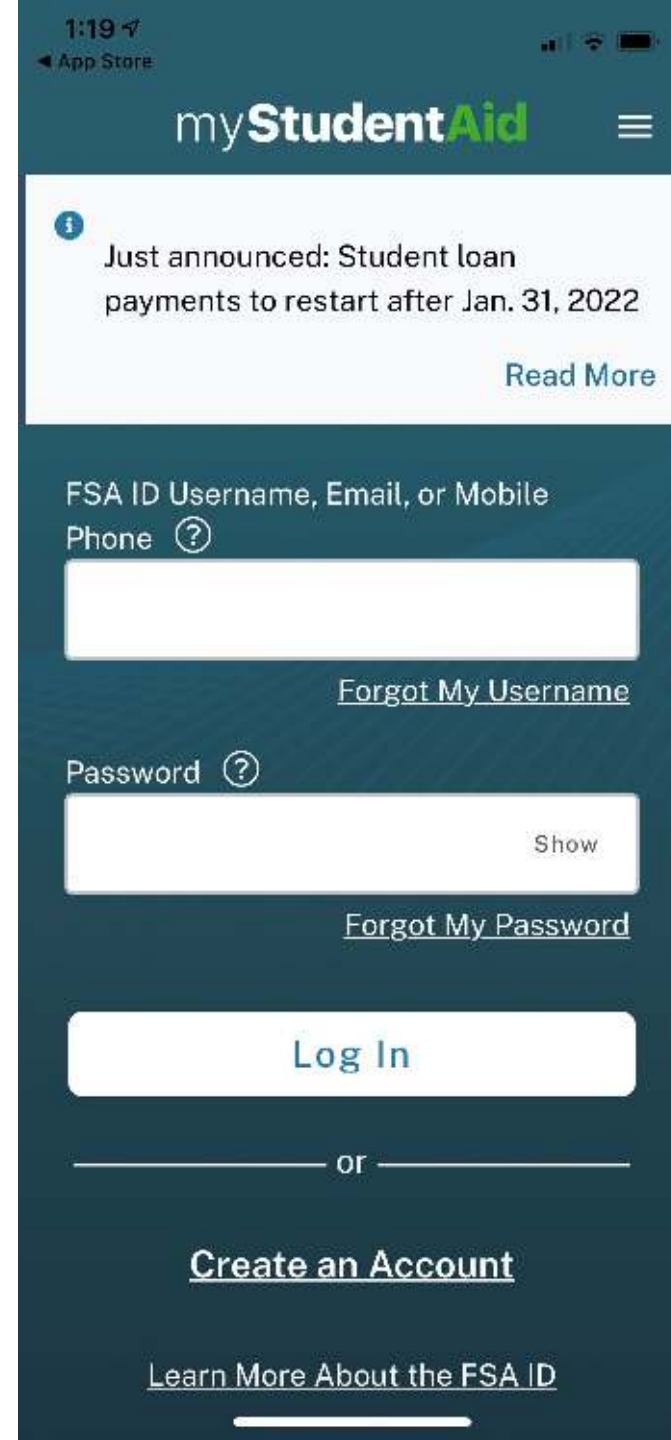

Apply at: dream.csac.ca.gov

California Dream Act Application (CADAA) allows undocumented and nonresident documented students who meet certain eligibility requirements to apply for state financial aid and allows qualified students to pay in-state resident fees (instead of higher out-of-state fees) at California's public colleges and universities.

Paper applications are also available for the FAFSA and CADAA, however it is recommended to complete the online application to reduce any chances of errors. For those who want to complete the CADAA in Spanish, this is only available in paper at dream.csac.ca.gov under "Information & Resources."

FAFSA App on Smartphones

The FAFSA can also be completed on a mobile phone through the myStudentAid app or online at fafsa.ed.gov. You can start it and stop it on either device. The mobile app has the same questions, but a different layout. This guide is still helpful if you fill it out through the app.

The image shows the login screen of the myStudentAid app. At the top, the status bar shows the time as 1:19 and the App Store icon. The app's logo, "myStudentAid", is in the top right corner. Below the logo, there is a notification banner that says "Just announced: Student loan payments to restart after Jan. 31, 2022" with a "Read More" link. The main login section has a label "FSA ID Username, Email, or Mobile Phone" with a question mark icon, followed by a text input field. Below the input field are links for "Forgot My Username" and "Forgot My Password". There is a "Password" label with a question mark icon, followed by a text input field with a "Show" button. Below the password field is a "Log In" button. At the bottom, there is a link for "Create an Account" and a link for "Learn More About the FSA ID".

When to Apply

The priority application period is October 1st – March 2nd, before the start of the school year you plan to attend to college.

Students planning on attending a California community college have until September 2nd to apply but are encouraged to apply as soon as possible to qualify for the maximum aid award possible.

Some colleges may have earlier priority deadlines, so check with your campus.

Students can apply for financial aid before they submit college applications

FAFSA SECTION 1: STUDENT DEMOGRAPHICS

Select the option that best fits your *initial* educational goal.

- It is important to NOT select "other/undecided" as it may limit the grants you can receive
- If you are uncertain if you will attend a 2-year or 4-year college, select 4-year college
- It is important to not select "2nd bachelor's degree" if you don't already have a bachelor's degree, as it may limit the grants you can receive

What will your college grade level be when you begin the 2022-2023 school year?

If you took college courses while in high school, and were dually enrolled, you are still considered a first-time college student and can select the option: **"Never attended college/1st yr."**

Interested in work study? Answer Yes! Federal Work-Study allows students with financial need to earn a portion of their financial aid award money through part-time employment on or off-campus. You can decline it later if you change your mind. Answering "Yes" also will not guarantee that you will receive a Work-Study job.

The screenshot shows the FAFSA 'STUDENT INFORMATION' section, specifically 'Student Education'. At the top, a navigation bar includes tabs for '2 School Selection', '3 Dependency Status', '4 Parent Demographics', '5 Parent Financials', '6 Student Financials', and 'Sign & Submit'. The 'Student Education' section contains the following questions and options:

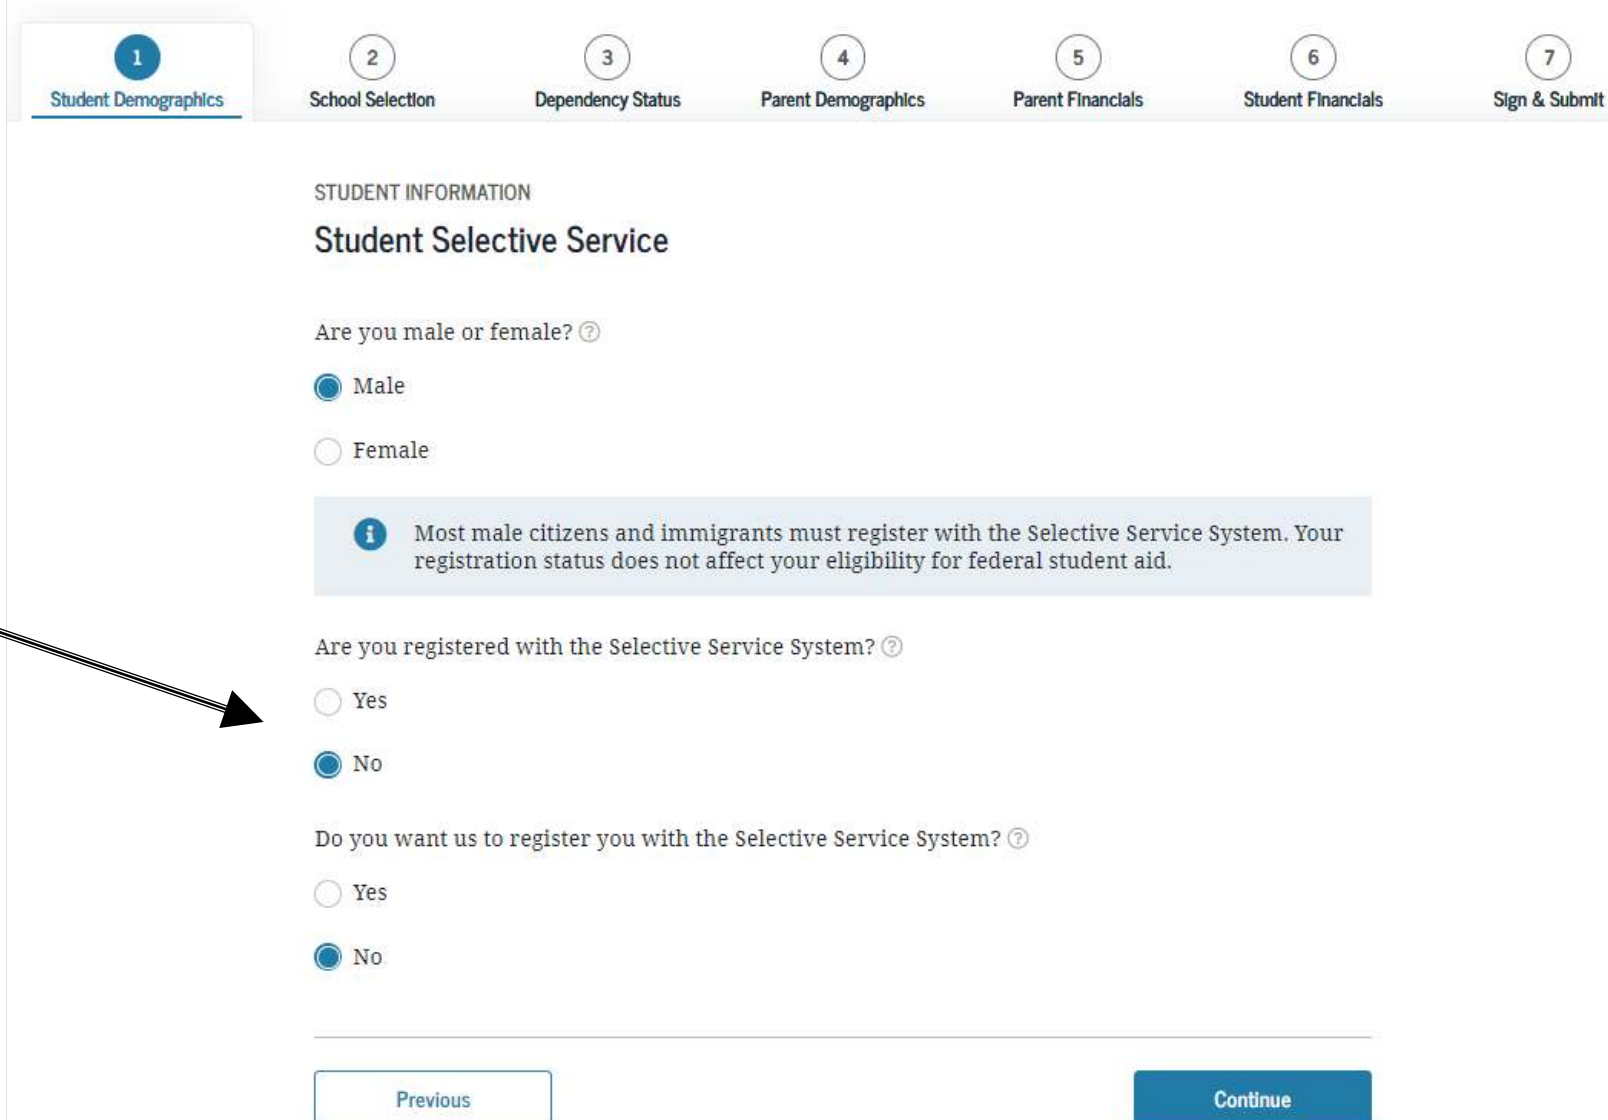

- 'What will your high school completion status be when you begin college in the 2022-23 school year?' with a dropdown menu set to 'High school diploma'.
- 'What college degree or certificate will you be working on when you begin the 2022-23 school year?' with a dropdown menu set to 'Associate degree (occupational or technical program)'. This section is highlighted with a red box.
- 'Will you have your first bachelor's degree before you begin the 2022-23 school year?' with radio buttons for 'Yes' and 'No' (selected).
- 'What will your college grade level be when you begin the 2022-23 school year?' with a dropdown menu set to 'Never attended college/1st yr.'. This section is highlighted with a red box.
- 'Are you interested in being considered for work-study?' with radio buttons for 'Yes' (selected), 'No', and 'Don't know'. This section is highlighted with a red box.

At the bottom of the form are 'Previous' and 'Continue' buttons. Three arrows from the left-pointing text boxes point to the 'Associate degree' dropdown, the 'Never attended college/1st yr.' dropdown, and the 'Yes' radio button for work-study.

FAFSA SECTION 1: STUDENT DEMOGRAPHICS

- **Male or female:** This is based on your sex at birth as indicated on your birth certificate.

Selective Service is no longer required to qualify for state or federal financial aid, but the question remains on the FAFSA and allows you to register via the FAFSA form.

The screenshot displays the FAFSA application interface for the 'Student Demographics' section. At the top, a progress bar shows seven steps: 1. Student Demographics (active), 2. School Selection, 3. Dependency Status, 4. Parent Demographics, 5. Parent Financials, 6. Student Financials, and 7. Sign & Submit. The main content area is titled 'STUDENT INFORMATION' and 'Student Selective Service'. It contains three questions with radio button options: 'Are you male or female?' (Male selected), 'Are you registered with the Selective Service System?' (No selected), and 'Do you want us to register you with the Selective Service System?' (No selected). An informational message states: 'Most male citizens and immigrants must register with the Selective Service System. Your registration status does not affect your eligibility for federal student aid.' At the bottom, there are 'Previous' and 'Continue' buttons.

FAFSA SECTION 2: SCHOOL SELECTION

Confirm your high school:

- Make sure that the high school listed is correct and select continue.
- If the high school is not correct, use the “start new search” option to search again.

The screenshot displays the FAFSA application process, specifically the 'School Selection' step. At the top, a progress bar shows seven steps: 1. A 'Remove' button is located to the right of the dropdown. Below the list of colleges, there is a '+ Add More Schools' button and a 'Compare All Schools' link. At the bottom, there are 'Previous' and 'Continue' buttons.

TIP

You can send your FAFSA to additional schools after your FAFSA has been processed.

After the FAFSA has been processed and you have received your Student Aid Report (SAR) or SAR Notification, you can submit the FAFSA to an additional 10 colleges, if necessary, by replacing the original set of 10 colleges with a new set of up to 10 colleges. Your original set of 10 colleges will still receive their copy of your FAFSA information. Repeat this process as many times as necessary, each time waiting until you receive the SAR or SAR Notification. You can do this by visiting fafsa.ed.gov or by calling 1-800-4FED-AID (1-800-433-3243). You may need the Data Retrieval Number (DRN) from your SAR.

SECTION 3 OF THE FAFSA:

DEPENDENCY STATUS

Dependency Determination

- Students who are determined to be independent do not need to provide information about parents.
- For independent students, eligibility for financial aid is based on the student's income only (and spouse if applicable)
- Students who will be 24 years old or older as of January 1 of the year for which they are applying for aid are automatically independent and will not be asked the questions in this section. (e.g., if you plan to start school in August 2022, will you be 24 or older as of January 1, 2022)

FAFSA SECTION 3: DEPENDENCY STATUS

FAFSA SECTION 3: DEPENDENCY STATUS

If you selected “none of the above,” you will be asked whether on or after July 1st of the year prior to the award year, you were homeless or self-supporting and at risk of being homeless. **If you are planning to start college in Fall 2022, you would have been homeless any time after 7/1/21 to answer yes.**

Answering “yes” to this question will give the student “independent student status.”

See the next two slides for more information about what living circumstances qualify a student to answer yes.

The screenshot displays the FAFSA application interface for the Dependency Status section. At the top, a progress bar shows seven steps: 1. Student Demographics (checked), 2. School Selection (checked), 3. Dependency Status (active), 4. Parent Demographics, 5. Parent Financials, 6. Student Financials, and 7. Sign & Submit. Below the progress bar, the section is titled 'SCHOOL SELECTION' and 'Student Homelessness Filter Question'. The question asks: 'On or after July 1, 2021, were you homeless or were you self-supporting and at risk of being homeless?'. There are two radio button options: 'Yes' (selected) and 'No'. At the bottom, there are two buttons: 'Previous' and 'Continue'.

Definition of Homeless Youth on the FAFSA:

A Student Must be Unaccompanied AND either Homeless OR Self-Supporting & at risk of being homeless

Unaccompanied =

Not in the physical custody of a parent or guardian

Homeless =

Lacking fixed, regular and adequate housing
(Learn more on the next page)

OR

Self-supporting AND at risk of being homeless =

When a student pays for his own living expenses, including fixed, regular, & adequate housing AND when a student's housing may cease to be fixed, regular, & adequate; for example, a student who is being evicted and has been unable to find fixed, regular, and adequate housing

Note: A student living in any of these situations and fleeing an abusive parent may be considered homeless even if the parent would provide support and a place to live.

Who is Included in the definition of homelessness?

Lacking fixed, regular and adequate housing includes students who:

- (i) are staying with other people temporarily due to loss of housing, economic hardship, or a similar reason (i.e., couch-surfing)
- (ii) are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations
- (iii) are living in emergency shelters
- (iv) are living in their car, sleeping outside, or staying someplace not normally meant for human habitation.

FAFSA SECTION 3: DEPENDENCY STATUS

If the student selected “yes,” they will then be asked who will provide a homeless youth determination.

Students should try to get a determination letter from one of the three entities listed.

Note: The listed individuals are permitted to continue to make determinations in subsequent years if they have access to the information necessary to make such a determination.

If the student cannot get a determination from any of the listed parties, select “None of the above” and go to page 62. The student can still verify homeless status through their college’s financial aid office.

STUDENT INFORMATION

Homeless or at Risk of Being Homeless

Important: You indicated you are homeless or at risk of being homeless, and you answered “None of the above” when presented with the specific homeless questions. Read on for more information.

Homeless or at Risk of Being Homeless

Your financial aid administrator can decide that you meet both of the following conditions necessary to be considered homeless and, therefore, do not need to provide parental information:

- **You are homeless**, or self-supporting and at risk of being homeless. Homeless means you are lacking fixed, regular, and adequate housing, which includes living in shelters, parks, motels, hotels, public spaces, camping grounds, cars, abandoned buildings, or temporarily living with other people because you had nowhere else to go. Also, if you are living in any of these situations and fleeing an abusive parent, you may be considered homeless even if your parent would otherwise provide a place to live.
- **You are unaccompanied**, which means you are not living in the physical custody of your parent(s) or guardian(s).

If you believe that you meet these conditions and would like to follow up with the financial aid administrator at the college you plan to attend, select **Continue**.

Information Regarding Homeless Determinations

FAAs can get assistance with making the determination by contacting college access programs, social workers, etc.

If the FAA is making the determination & there is no written documentation available, the determination may be based on a documented interview with the student

If a student receives a determination from a local liaison, or RHYA-funded or HUD-funded shelter or transitional living program, the FAA must accept this determination

A student living in the school dormitory may still be considered an unaccompanied homeless youth if the student would be homeless otherwise

A new determination must be made each year for the FAFSA

FAFSA SECTION 6: STUDENT FINANCIALS

Pay careful attention to which year's income, tax and asset information you have to report in this section. FAFSA uses income and tax information from the "prior-prior" year.

Ex. The 2022/2023 FAFSA which is filled out between October 1, 2021 – March 2, 2022 will ask for 2020 tax & income information.

Asset information is based on the date the FAFSA is filed.

You will be asked if you completed your IRS income tax return for the appropriate year.

You must select one of three options:

- Already completed
- Will file
- Not going to file

Student Simplified Path Determination (part 1):

You may be asked if you filed a “Schedule 1” with your taxes, which is a form used to report certain types of income including unemployment benefits and self-employment income (including “gig” work such as Uber driving) as well as certain types of less common deductions. This question is used to determine if you can skip questions related to assets (the “simplified path”).

If you use the IRS DRT, this may show as “Transferred from the IRS”.

Note that if you did file a Schedule 1, you can still answer “no” if the only income type reported on the schedule 1 was unemployment benefits or other less common income types noted on the screen. If you answer no, go to slide 79.

If you did file a Schedule 1, or think you may have, and select “yes” or “don’t know,” you will be asked additional questions to determine if you qualify for the simplified path. First, you will be asked if you are a dislocated worker. You can answer “yes” if you

- were laid off, are receiving unemployment benefits, and are unlikely to return to your previous occupation or
- if you lost self-employment because of the COVID-19 pandemic.

If you answer “no” or “don’t know” you will be asked the questions on the following slide.

The screenshot shows the FAFSA application interface for the 'Student Financials' section. At the top, a progress bar indicates the following steps: School Selection (checked), Dependency Status (checked), Parent Demographics (4), Parent Financials (5), and Student Financials (6, currently active). The main heading is 'STUDENT INFORMATION' followed by 'Student Simplified Path Determination'. The text explains that the user indicated filing an IRS Form 1040 and asks if they filed a Schedule 1. It provides instructions to select 'No' if they did not file a Schedule 1 to report certain income types, or 'only filed' if they did. A 'Learn more about Schedule 1' link is provided. Three radio button options are available: 'Yes', 'No', and 'Don't know' (which is selected). Below this, another question asks 'As of today, are you a dislocated worker?' with 'Yes', 'No', and 'Don't know' radio button options. At the bottom, there are 'Previous' and 'Continue' buttons.

TIPS

What if you received unemployment benefits?

Reporting this information on the FAFSA is complicated. We recommend you contact the FAFSA help line (see page 102) for guidance. After you submit your FAFSA, contact the financial aid office at the school you plan to attend to inform them that you received unemployment benefits. They may be able to adjust your income on the FAFSA to ensure you qualify for the maximum funding possible.

What if your income has changed since 2020?

If your income has decreased since 2020, for example, you lost a job or had your hours significantly reduced, contact the financial aid office at the school you plan to attend. They can recalculate your financial aid award to reflect your current income.

Option b).

If you select *“Will File”* IRS Income Tax Return

Remember:

- Continue to check your email and college student portal weekly. The college will communicate with you if they need more information. Even after college starts, continue to check it often.
- Respond promptly to any information request to provide verification in order to receive your financial aid, such as a verification of foster youth status or an IRS Verification of Nonfiling Letter (if you didn't file taxes). Learn more at: www.jbay.org/resources/irs-vnf.
- Update all of your accounts if your address, email or phone number changes (e.g. WebGrants, college portal, FAFSA/CADAA, etc.)
- Apply for other scholarships and campus support programs such as EOP, EOPS, or Disability Student Services.
- Check out the *Financial Aid Guide for California Homeless Youth* to learn how to maintain your financial aid at: <https://jbay.org/resources/financial-aid-guide-for-ca-homeless-youth/>. Once you receive financial aid, there are requirements you need to meet to keep receiving it.
- Reapply for FAFSA every year!
