Visual Step-by-Step FAFSA Guide for California Foster Youth

Fund Your Future: It's Possible!

**November
2022**

This Guide is intended to compliment the *Financial Aid Guide for California Foster Youth* with screen shots of the actual online FAFSA application and detailed step-by-step instructions for youth currently or formerly in the foster care system.

While we have made every effort to be accurate in this guide, financial aid programs change. Be sure to get current information.

Please reference the *Financial Aid Guide for California Foster Youth* for information on the different types of financial aid, what to do after the FAFSA, and how to maintain financial aid.

Visit: jbay.org/resources/financial-aid-guide/

Intended Audience

- This guide is intended for foster youth in California who qualify for “Independent Student Status” on the FAFSA (ex. a student who was in foster care on or after their 13th birthday or in a court-ordered legal guardianship). If you do not qualify for “Independent Student Status,” you will need to complete the Parental Demographics section and provide financial information about you and your parent(s). Information about this process is not included in this guide.
- Students who do not qualify as a foster youth but who cannot obtain parental information can request an exemption for **special circumstances** such as an abusive family, parental incarceration or when parents’ whereabouts are unknown. Note that circumstances such as parents not providing financial support or being unwilling to provide information do not alone qualify as special circumstances. **More information is on pp. 60–62.**
- If you are an undocumented student, including DACA recipients, fill out the California Dream Act Application (CADAA) at dream.csac.ca.gov instead of the FAFSA. If you are a California undocumented student, you should use the CADAA even if you were a DACA recipient and granted a temporary Social Security Number. Visit www.jbay.org/resources/financial-aid-guide for the *Visual Step-by-Step CA Dream Act Application (CADAA) Guide for California Foster Youth* or *Spanish Guide to Complete the Paper CA Dream Act Application*.
- If you are not a current or former foster youth but have experienced homelessness in California and do not live with your parent(s), you *may* also qualify for “Independent Student Status.” Please see here to learn more: jbay.org/resources/financial-aid-guide-for-ca-homeless-youth/

STEP 1: BEGIN A NEW FAFSA AT FAFSA.GOV

Reminder:

The FAFSA must be filled out EVERY year!
This is a FREE application.

New to the FAFSA Process:

Click "Start Here"

Returning User:

Click "Log In."

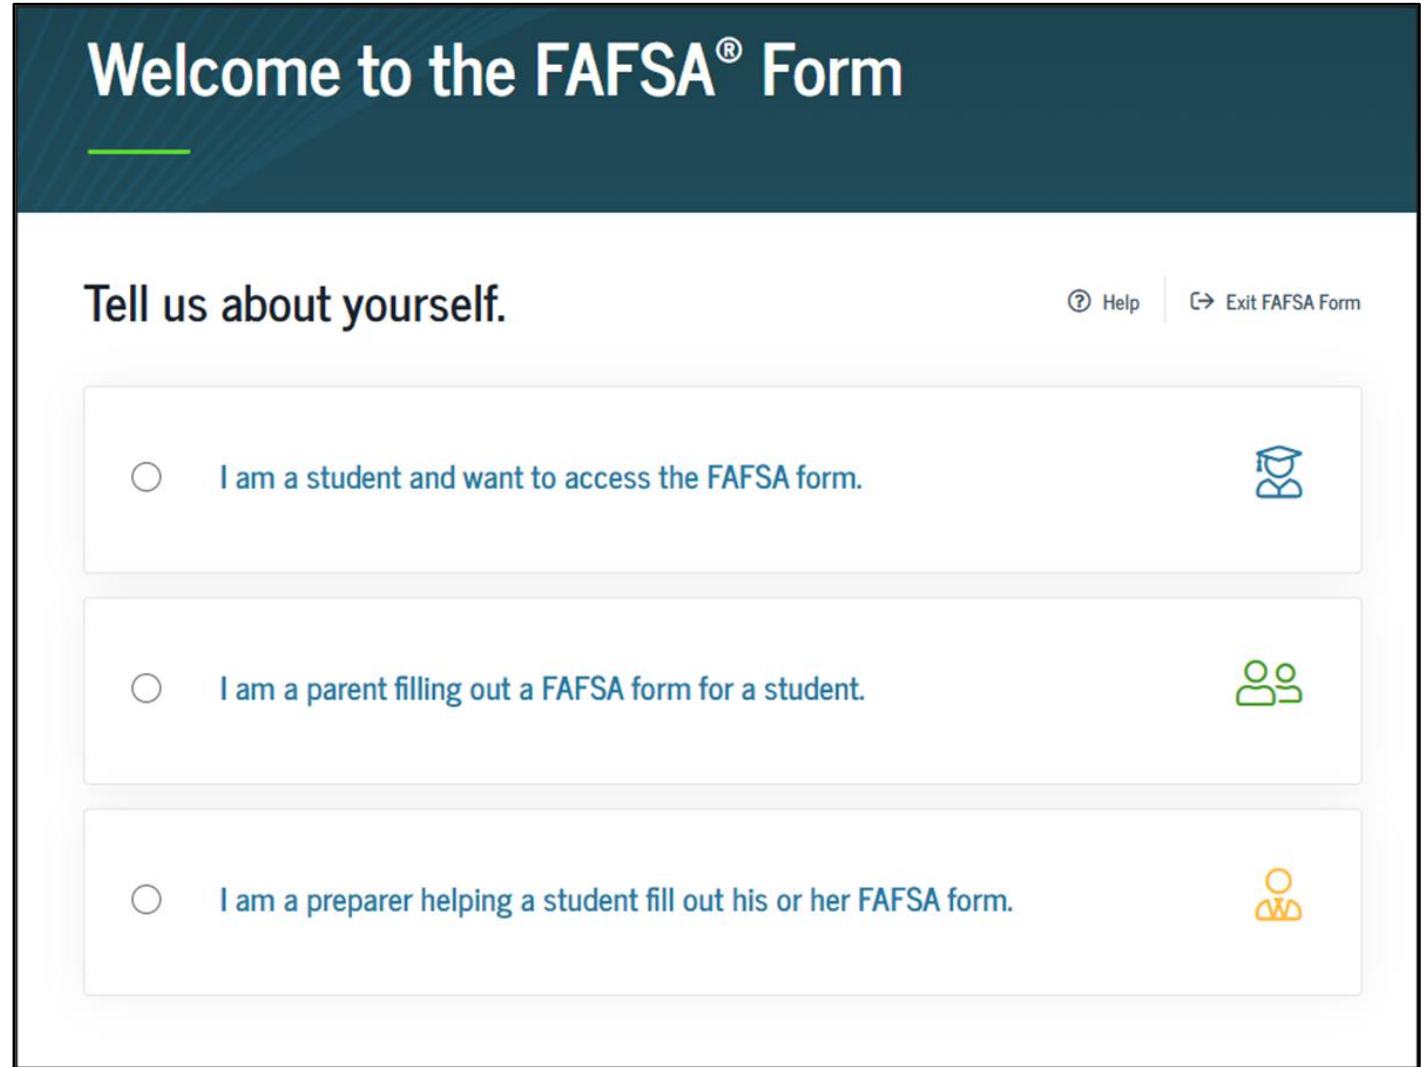

This allows you to prefill the current year's FAFSA with some data from last year's FAFSA.

The screenshot shows the FAFSA.gov homepage. At the top, there is a navigation bar with the following items: "Federal Student Aid" (with a subtext "AN OFFICE OF THE U.S. DEPARTMENT OF EDUCATION"), "FAFSA® Form" with a dropdown arrow, "Loans and Grants" with a dropdown arrow, "Loan Repayment" with a dropdown arrow, and "Loan Forgiveness" with a dropdown arrow. A search icon is located on the far right. The main content area features a large banner with the text "Complete the FAFSA® Form" and "Use the Free Application for Federal Student Aid (FAFSA®) form to apply for financial aid for college or graduate school." To the right of this banner, there are two main sections: "New to the FAFSA® Process?" with the subtext "Completing the FAFSA form is free. Fill it out now." and a "Start Here" button; and "Returning User?" with the subtext "Correct info | Add a school" and "View your Student Aid Report (SAR)", and a "Log In" button. Two orange arrows originate from the callout boxes on the left: one points to the "Start Here" button, and the other points to the "Log In" button. The background of the banner shows an illustration of three diverse students walking.

STEP 1: BEGIN A NEW FAFSA AT FAFSA.GOV

When you start a new FAFSA, there are three log-in options.

→ Choose the option that says: "I am a student and want to access the FAFSA form."

The screenshot shows the "Welcome to the FAFSA® Form" page. The title is in white text on a dark blue background. Below the title, the heading "Tell us about yourself." is displayed in blue. To the right of the heading are links for "Help" (with a question mark icon) and "Exit FAFSA Form" (with an exit icon). There are three radio button options, each with a corresponding icon to its right:

- I am a student and want to access the FAFSA form. 
- I am a parent filling out a FAFSA form for a student. 
- I am a preparer helping a student fill out his or her FAFSA form. 

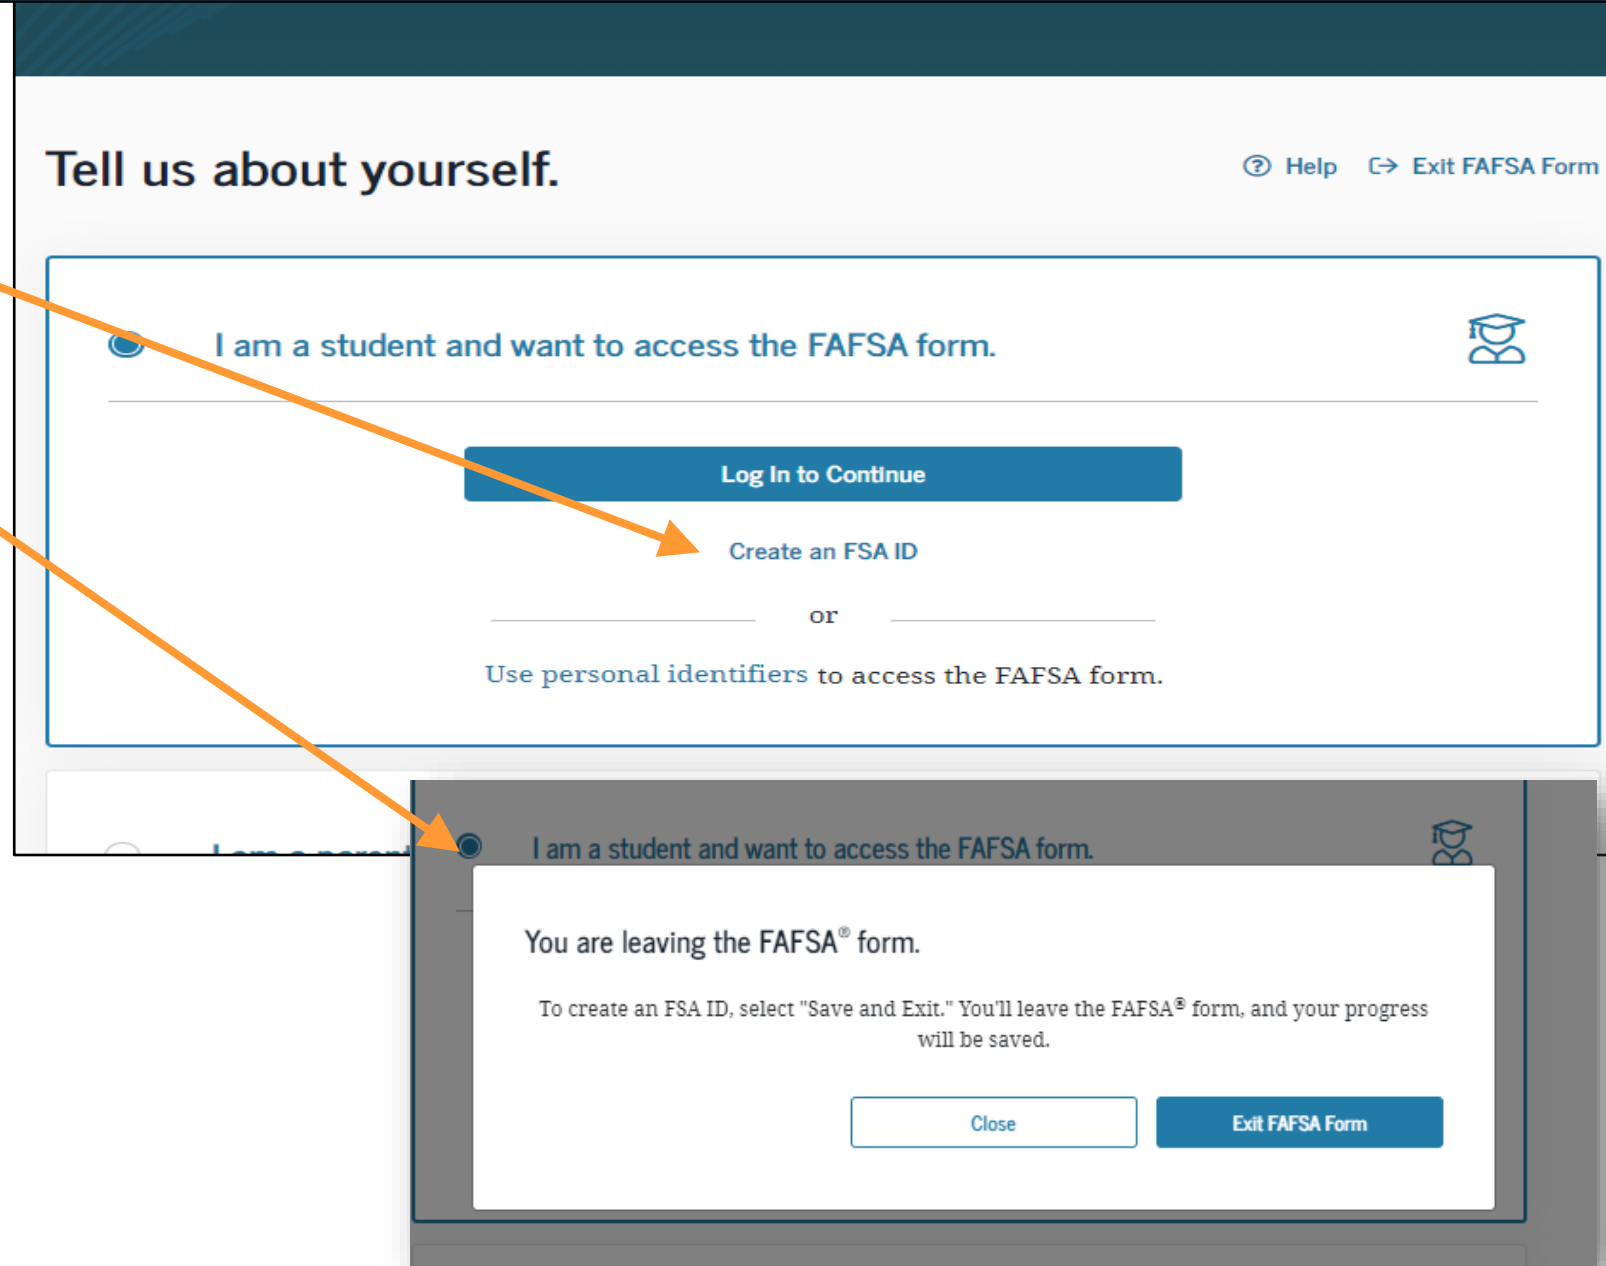

STEP 1: BEGIN A NEW FAFSA AT FAFSA.GOV

Log In:

Click the blue link that says ["Create an FSA ID."](#)

Next, click "Exit FAFSA Form" to go to the FSA ID website.

You can start a FAFSA without an FSA ID, but it will serve as your legal signature, and you will need it to sign your FAFSA electronically before you submit the FAFSA.

STEP 1: BEGIN A NEW FAFSA AT FAFSA.GOV

You may also choose to begin the FAFSA form with personal identifiers: first name, last name, date of birth, and Social Security number, *however an FSA ID will be required to sign your FAFSA at the end.*

Once you have entered your personal identifiers, select "Continue."

Use personal identifiers to access the FAFSA form.

Enter your personal identifiers.

SELECT THE SCHOOL YEAR YOU ARE APPLYING FOR

- Select the school year that you plan to attend college. If you select the wrong year, your financial aid will not be processed.
- If you are applying for an upcoming summer session it is recommended that you complete applications for both years. Schools have the option of using either the prior or upcoming year's financial aid for summer. Once you've picked a college, check with the financial aid office about summer financial aid.

The screenshot shows the 'Get Started' page of the TestE application. At the top right, there are links for 'Help' and 'Exit FAFSA Form'. The main heading is 'Get Started', followed by a welcome message: 'Welcome to TestE's application!'. Below this, it says 'Fill out your FAFSA form!' and 'To receive federal student financial aid, you need to fill out a FAFSA form every school year. Let's get started.' The central question is 'For which school year are you applying for financial aid?'. A note below asks the user to check with the college if they are applying for a summer session or don't know which application to complete. A link 'Which school year should I choose?' is provided. At the bottom, there are two blue buttons: 'Start 2023-24 FAFSA Form' and 'Start 2022-23 FAFSA Form', separated by the word 'or'. A red rounded rectangle highlights these two buttons.

- If you are unsure of your plans, select "1st bachelor's degree." Do NOT select "other/undecided." However, if you decide to attend a community college, you should update your response to this question to avoid an error message and delays in your financial aid.
- Do not select "2nd bachelor's degree" unless you already have a bachelor's degree, as it may limit the grants that you receive.

TIP

You can send your FAFSA to additional schools after your FAFSA has been processed.

After the FAFSA has been processed and you have received your Student Aid Report (SAR) or SAR Notification, you can submit the FAFSA to an additional 10 colleges, if necessary, by replacing the original set of 10 colleges with a new set of up to 10 colleges. Your original set of 10 colleges will still receive their copy of your FAFSA information. Repeat this process as many times as necessary, each time waiting until you receive the SAR or SAR Notification. You can do this by visiting fafsa.gov or by calling 1-800-4FED-AID (1-800-433-3243). You may need the Data Retrieval Number (DRN) from your SAR.

SECTION 3 OF THE FAFSA:

DEPENDENCY STATUS

Dependency Determination

- Students who are determined to be independent do not need to provide information about parents.
- For independent students, eligibility for financial aid is based on the student's income only (and spouse if applicable).
- Students who will be 24 years old or older as of January 1 of the year for which they are applying for aid are automatically independent and will not be asked the questions in this section. (e.g., if you plan to start school in August 2023, will you be 24 or older as of January 1, 2023)

FAFSA SECTION 3: DEPENDENCY STATUS

Marital Status:

Your legal status is “single” if you are not married, even if you live with or have a boyfriend, girlfriend or significant other.

Married students are considered independent and will not have to fill out the Parent sections.

The screenshot displays the FAFSA application interface for the 'Dependency Status' section. At the top, a progress bar shows seven steps: 1. Student Demographics (checked), 2. School Selection (checked), 3. Dependency Status (active), 4. Parent Demographics, 5. Parent Financials, 6. Student Financials, and 7. Sign & Submit. Below the progress bar, the 'SCHOOL SELECTION' section is visible, followed by the 'Student Marital Status' heading. A green success message states 'Application was successfully saved.' Below this is an information icon and text: 'Because the FAFSA® form belongs to the student, "you" and "your" always (unless otherwise noted) refer to the student.' The main question is 'What is your marital status as of today?' with a dropdown menu currently set to 'Single'. At the bottom, there are 'Previous' and 'Continue' buttons.

FAFSA SECTION 3: DEPENDENCY STATUS

This section is asking to determine if the student has any dependents. If you have dependents, you will be considered “independent” on the FAFSA and will not have to fill out the Parent section and will automatically skip the questions on the next slide.

The screenshot shows the FAFSA application interface for the Dependency Status section. At the top, a progress bar indicates the current step (3) and previous steps (1, 2) are completed. The current step is 'Dependency Status', followed by 'Parent Demographics', 'Parent Financials', 'Student Financials', and 'Sign & Submit'. The main content area is titled 'STUDENT INFORMATION' and contains two questions:

Does the student have dependents?

Dependent Children
Do you now have or will you have children who will receive more than half of their support from you between July 1, 2023, and June 30, 2024? ⓘ

Yes
 No

Other Dependents

At the bottom, there are two buttons: 'Previous' and 'Continue'.

FAFSA SECTION 3: DEPENDENCY STATUS

Student Household Info:

This screen only appears if you indicate that you have children or are married.

The numbers for you, and if you indicated that you are married or have children, your spouse and children will automatically populate on this screen.

Your siblings, other relatives, family of origin, foster family, or others who live with you are not included in household size.

Number in College: Enter "1" for number in college unless you have a spouse or children who will also be attending college at least half-time.

The screenshot shows the FAFSA application progress bar at the top with steps: Student Demographics, School Selection, Dependency Status (highlighted), Parent Demographics, Parent Financials, Student Financials, and Sign & Submit (7). Below the progress bar, the section is titled "STUDENT INFORMATION" and "Student Household Info". A box displays a house icon and the text "Your household size is 3." with sub-items "You: 1" and "Your Children: 2". Below this, the "Number in College" section is highlighted with a red box. It contains the text: "Out of the 3 people in your household (as shown above), how many will be college students between July 1, 2022 and June 30, 2023? Include yourself in this number." and a text input field containing the number "1". At the bottom of the form are "Previous" and "Continue" buttons.

FAFSA SECTION 3: DEPENDENCY STATUS

If you are under 24, not married and do not have children you will be asked additional questions.

Current or former foster youth may qualify for “Independent Student Status” on the FAFSA if they can answer “Yes” to any part of either of these two questions.

“At any time since you turned age 13, were both your parents deceased, were you in foster care, or were you a dependent or ward of the court?”

OR

“Does someone other than your parent or stepparent have legal guardianship of you, as determined by a court in your state of legal residence?”

FAFSA SECTION 3: DEPENDENCY STATUS

Not sure if you qualify as an independent student as a current or former foster youth? Here is some more helpful information:

- Neither legal guardians nor foster parents are considered parents when completing the FAFSA.
- Even if you were in foster care, or were a dependent or ward of the court, for just one day after you turned 13, you qualify.
- Dependent vs. Ward of the Court: The term “ward” is used to mean “dependent” of the court.
- You are a ward of the court (regardless of whether this status is determined by the county or state) if the court has assumed custody of you, even for just one day. Court-ordered documents exist that designate you as a ward of the court.
- If you were a dependent or ward of the court, but remained in the legal custody of your parents, you do not qualify for “Independent Status” as a foster youth on the FAFSA.
- Youth in Family Maintenance will not qualify unless they were in out-of-home care for at least one day after the age of 13.
- Some foster youth who are a dependent or ward of the court are under the jurisdiction of probation due to involvement with the juvenile justice system. These students are still eligible for independent status.
- If you exited foster care before the age of 13 and were either reunified with your parents or adopted, you will most likely need to provide information about your parents’ income. You can request an exemption from this requirement, however, for special circumstances. Consult with the financial aid office at the college you plan to attend for more information.

How is Foster Youth Status Verified?

It should be automatically verified through a data match with the California Department of Social Services (CDSS), however this doesn't always happen.

Only submit a verification letter if the data match is unsuccessful or if requested by your college or university.

HOW TO GET A FOSTER YOUTH VERIFICATION LETTER:

- **Current foster youth:** Contact your county social worker or Independent Living Program (ILP or ILSP).
- **Former foster youth:** May also contact the Office of the California Foster Care Ombudsperson: 877-846-1602.

TIP: Although a ward of the court letter may not be requested for the FAFSA, students may need it to access other benefits at their campus for foster youth such as the NextUp program or priority registration. You should request a copy, as you may need it in the future.

FAFSA SECTION 3: DEPENDENCY STATUS

-You are determined to be an Independent Student.

-You can answer "No" to skip questions about your parents.

-Answering "No" will not prevent you from getting financial aid.

TIP

Even if you don't qualify for independent status as a foster youth, you may still qualify.

Students who do not qualify as a foster youth but who cannot obtain parental information can request an exemption from this requirement for special circumstances such as an abusive family, parental incarceration or when parents' whereabouts are unknown. Indicate when asked that you are "unable to provide information about my parents" and complete the Special Circumstances Qualifications. You must then follow up with the financial aid office to request a "dependency override."

If this applies to you, proceed to the pages 60-62.

FAFSA SECTION 3: DEPENDENCY STATUS

If you do not qualify as an independent student based on foster youth status or any of the other options, you can request to be considered independent based on a special circumstance.

Begin by selecting "I am unable to provide information about my parents"

The screenshot shows the FAFSA application interface for the Dependency Status section. At the top, there is a progress bar with five steps: 1. School Selection (marked with a green checkmark), 2. Dependency Status (highlighted with a blue circle and underline), 3. Parent Demographics (marked with a blue circle), 4. Parent Financials (marked with a blue circle), and 5. Student Financials (marked with a blue circle). Below the progress bar, the heading "STUDENT INFORMATION" is followed by "Dependent Student Status". The main text explains that based on previous answers, the student is considered a "dependent" student and must provide parental information. It offers two options: "I will provide information about my parent(s)" and "I am unable to provide information about my parent(s)". The second option is selected with a blue radio button. A help icon is present next to the second option. At the bottom, there are two buttons: "Previous" and "Continue".

STUDENT INFORMATION

Impact of Not Providing Parent Information

If you continue to complete the application without providing parent information, the following will occur:

- We will **not** transfer any parent information from your last year's application into this year's FAFSA® form.
- We will **not** calculate your Expected Family Contribution (EFC), which colleges and career schools use to determine your financial aid package.
- You must follow up with the financial aid administrator at the college or career school you plan to attend in order to find out how much federal student aid you are eligible to receive.

FAFSA SECTION 3: DEPENDENCY STATUS

Additional information will then be displayed that provides examples of situations that may qualify and those that do not. You must confirm that you will not provide parent information.

STUDENT INFORMATION

Special Circumstances Qualifications

You may still be eligible for some type of federal student aid without providing parent information. **Please read through the following options carefully.**

Special Circumstances Option

You must contact the financial aid administrator at the college or career school you plan to attend if you believe you have a special circumstance that should be considered in determining your eligibility for federal student aid.

Some situations that would qualify you to receive federal student aid without providing parent information include the following:

- You have left home due to an abusive or threatening family environment.
- Your parent(s) would pose a risk to you if you contact them.
- You are unable to contact your parent(s) (and you have not been adopted) because they cannot or refuse to communicate with you, or you do not know where they are.
- You are estranged from, or have been abandoned by, your parent(s) and they refuse to provide information on the FAFSA form.
- You or your parent(s) are incarcerated.
- You have been legally granted refugee or asylum status, or your parent(s) have been internally displaced in a foreign country and you are unable to contact them.
- You are a victim of human trafficking.

If any of these situations resulted in you not having a safe, stable place to live, you may be considered homeless. If you indicate on the FAFSA form that you are homeless or self-supporting and at risk of being homeless, you will not be required to provide information about your parent(s) and your financial aid administrator will be required to determine whether you meet the criteria for homelessness after you submit the FAFSA form. You can select **“Previous”** to return to the earlier Student Homelessness Filter Question if you would like to change your answer.

However, not all situations are considered a special circumstance. For example, the following situations would **not** be considered as a special circumstance on their own without other factors:

- You do not live with your parent(s).
- Your parent(s) does not want to provide you with financial support.
- Your parent(s) doesn't want to contribute to your college expenses.
- Your parent(s) doesn't claim you as a dependent on their income tax return.
- Your parent(s) does not want to provide their information on your FAFSA® form.

Direct Unsubsidized Loan Option

If you do not meet a requirement for a special circumstance and still choose to continue your application without providing parent information, the only type of federal student aid you will be considered for is a Direct Unsubsidized Loan. To request consideration for an unsubsidized loan, you must contact the financial aid administrator at the college or career school you plan to attend.

Select the appropriate option below based on your circumstances. [?](#)

- I will provide information about my parent(s).
- I have a special circumstance and I am unable to provide information about my parent(s).
- I do not have a special circumstance, and I am submitting my FAFSA® form without parent information to apply for a Direct Unsubsidized Loan only.

SECTION 6 OF THE FAFSA:

Student Financials

These instructions are for students with “Independent Status.” Dependent students will need to also provide parent information.

Option a). If you select “*Already Completed*” IRS Income Tax Return (pages 66–82)

Option b). If you select “*Will File*” IRS Income Tax Return (pages 83–85)

Option c). If you select “*Not Going to File*” IRS Income Tax Return (pages 86–92)

TAX TIPS

Unsure if you made enough money to file taxes?

Each year the income requirement is different. Ex. In 2021, if you were single, under 65 and your gross earned income and/or income from scholarship awards was at least \$12,550, then you are legally required to file taxes.

Gross income = total income paid to you before any deductions or taxes were taken out.

There are many good reasons to file taxes!

- ✓ Most half-time and full-time students qualify for a cash-back education credit.
- ✓ Students (18 and older) who earned at least \$1 may qualify for the Earned Income Tax Credit.
- ✓ Beginning in 2022, some foster youth may qualify for an extra tax credit based on their experience in foster care.
- ✓ Parenting students, whether they have worked or not, may qualify for the child tax credit.
- ✓ Any childcare expenses a parent pays for while they attend school or work can also be deducted on their taxes

FAFSA SECTION 6: STUDENT FINANCIALS

Pay careful attention to which year's income, tax and asset information you have to report in this section. FAFSA uses income and tax information from the "prior-prior" year.

Ex. The 2023-2024 FAFSA which is filled out between October 1, 2022 – March 2, 2023 will ask for 2021 tax & income information.

Any asset information is based on the date the FAFSA is filed.

You will be asked if you completed your IRS income tax return for the appropriate year. You must select one of three options:

- Already completed
- Will file
- Not going to file

The screenshot displays the FAFSA application interface for the 'Student Financials' section. At the top, a progress bar shows steps 1 through 7, with step 6, 'Student Financials', highlighted. The main heading is 'STUDENT INFORMATION' followed by 'Student Tax Filing Status'. A green success message states 'Application was successfully saved.' Below this is an information icon with the text: 'Because the FAFSA® form belongs to the student, "you" and "your" always (unless otherwise noted) refer to the student.' The form contains three dropdown menus: 'For 2021, have you completed your IRS income tax return or another tax return?' (selected: 'Already completed'), 'What income tax return did you file for 2021?' (selected: 'IRS Form 1040'), and 'For 2021, what is your tax filing status according to your tax return?' (selected: 'Single'). A 'RECOMMENDED' box for the 'IRS Data Retrieval Tool' is present, with the text: 'Applying is faster and easier if you transfer your tax return information into this FAFSA® form with the IRS Data Retrieval Tool (DRT)! For your protection, your tax return information will not display on the IRS website or on the FAFSA® form.' At the bottom, there are three buttons: 'Previous', 'Skip IRS DRT and Complete Manually', and 'Proceed to the IRS >'.

Based on the information you provided, the Internal Revenue Service (IRS) located your income tax return. With your permission below, the IRS will securely transfer your tax information to the U.S. Department of Education (ED) to populate any applicable FAFSA® questions.

For your protection, the IRS will not display your tax information and will further encrypt any tax information transferred using the IRS DRT; therefore, ED is unable to display your tax information on your FAFSA form.

The data retrieved from your tax return is limited to the items listed below as you reported to the IRS:

“Student IRS Info”–

After the data has been transferred from the IRS DRT it will show as “Transferred from the IRS.” This data cannot be changed or viewed.

If you do not use the IRS DRT, the FAFSA tells you on what line of your tax return you can find the requested information.

The screenshot displays the FAFSA application progress bar at the top, with steps 1 through 7. Step 6, "Student Financials", is the current step and is highlighted in blue. Below the progress bar, the page title is "STUDENT INFORMATION" followed by "Student IRS Info". A green confirmation message with a checkmark icon states: "You have successfully transferred your 2021 IRS tax information. Your IRS tax information has been successfully transferred into this FAFSA® form. Questions that were populated with tax information will be marked with 'Transferred from the IRS.' For your protection, IRS tax return information is not displayed on the FAFSA form." Below this message is a question: "What was your adjusted gross income for 2021?". The answer field contains the text "Transferred from the IRS" and a question mark icon. A red box highlights the question and the answer field. At the bottom of the page, there are two buttons: "Previous" and "Continue".

FAFSA SECTION 6: STUDENT FINANCIALS

“Student Income from work”

If you do not use the IRS DRT, the FAFSA tells you on what line of your tax return you can find the requested information.

If asked, select No to the question “Did you file and IRS Schedule K-1 (Form 1035 for 2020).” This form only applies to individuals in a legal business partnership.

The screenshot displays the FAFSA application progress bar at the top, with seven steps: Student Demographics (checked), School Selection (checked), Dependency Status (checked), Parent Demographics (4), Parent Financials (5), Student Financials (6, highlighted), and Sign & Submit (7). Below the progress bar, the 'STUDENT INFORMATION' section is titled 'Student Income from Work'. The first question is 'How much did you earn from working (wages, salaries, tips, etc.) in 2021?' with a text input field containing 'Transferred from the IRS' and a help icon. The second question is 'Did you file an IRS Schedule K-1 (Form 1065) for 2021?' with radio buttons for 'Yes' and 'No', where 'No' is selected. At the bottom, there are 'Previous' and 'Continue' buttons.

FAFSA SECTION 6: STUDENT FINANCIALS

Student Simplified Path Determination (part 1):

You may be asked if you filed a “Schedule 1” with your taxes, which is a form used to report certain types of income including unemployment benefits and self-employment income (including “gig” work such as Uber driving) as well as certain types of less common deductions. This question is used to determine if you can skip questions related to assets (the “simplified path”).

If you use the IRS DRT, this may show as “Transferred from the IRS”.

Note that if you did file a Schedule 1, you can still answer “no” if the only income type reported on the schedule 1 was unemployment benefits or other less common income types noted on the screen. If you answer no, go to page 80 (Student Additional IRS Info).

If you did file a Schedule 1, or think you may have, and select “yes” or “don’t know,” you will be asked additional questions to determine if you qualify for the simplified path. First, you will be asked if you are a dislocated worker. You can answer “yes” if you

- were laid off, are receiving unemployment benefits, and are unlikely to return to your previous occupation or
- if you lost self-employment because of economic conditions or natural disaster.

If you answer “no” or “don’t know” you will be asked the questions on the following slide.

The screenshot shows the FAFSA application interface. At the top, there is a progress bar with five steps: School Selection (checked), Dependency Status (checked), Parent Demographics (4), Parent Financials (5), and Student Financials (6, highlighted). Below the progress bar, the section is titled "STUDENT INFORMATION" and "Student Simplified Path Determination". The main question asks if the user filed a Schedule 1 with their taxes, with options for Yes, No, and Don't know. The "Don't know" option is selected. Below this, there is a sub-question: "As of today, are you a dislocated worker?" with options for Yes, No, and Don't know. At the bottom, there are "Previous" and "Continue" buttons.

“Student Questions for Tax Filers Only”

If you indicated that you filed taxes (regardless of whether you import data from the IRS or enter manually) you will be asked about various types of income that may have been included in the income reported on your tax return.

If you received college grants, scholarships or any payments from Americorps during the year for which you are reporting income that were included in the income reported on your taxes, you must enter the amount here to ensure that these do not count against your financial aid eligibility.

If you use the IRS DRT, some of these questions will show as “Transferred from the IRS.”

AFTER THE FAFSA

Filling out the FAFSA is just the first step.

Once your FAFSA is processed successfully (within a few days), it will be indicated when you log back into the FAFSA.

You can make a correction by choosing "Edit FAFSA Form."

Choosing "View Student Aid Report" will allow you to view your SAR. Learn more about the SAR on the next page.

The screenshot shows the 'My FAFSA' interface. At the top, there is a header with 'My FAFSA' and navigation links for 'Help' and 'Exit FAFSA Form'. Below the header, the page is titled 'STUDENT INFORMATION' and 'Welcome to INDEPENDENT TESTER's application!'. There are two tabs for the academic year: '2023-24' (active) and '2022-23'. A red box highlights the 'Current Application Status' section, which shows a green checkmark and the text 'Processed Successfully'. Below this, a message reads 'Congratulations, your FAFSA form was successfully processed.' and a section titled 'What Happens Next' lists four bullet points regarding the availability of information to schools and the determination of aid. At the bottom, it states 'Original Application: Submitted on 10/01/2022; Processed on 10/18/2022'.

This section is titled 'You may take the following additional actions:'. It contains two rows of options. The first row is for 'Edit FAFSA Form', which includes a pencil icon, the text 'Change incorrect information on a previous FAFSA submission.', and a button labeled 'Edit FAFSA Form'. The second row is for 'View Student Aid Report', which includes a document with a dollar sign icon, the text 'View your EFC, FAFSA answers, and financial aid history.', and a button labeled 'View Student Aid Report'.

Student Aid Report

If you click “View Student Aid Report” (SAR), you’ll see this page.

The SAR summarizes the information provided on the FAFSA. It includes the Data Release Number (DRN) and Expected Family Contribution (EFC). In this example, the EFC is 0 which means the student will likely qualify for maximum aid.

The SAR is not your award letter, but an estimate of what you MAY be eligible for.

It may take a few days or weeks to receive your SAR.

It will include info if you’ve been selected for additional verification and how many years you have received federal aid towards the 6-year cap.

At the top of the page, students can “Print SAR”

Check Your Award Status

Below are possible award status cards within WebGrants. If your Award Status is pending, click on your "To Do" list to determine next steps. If your Award Status is "Not Awarded", click on "Reason" to learn more and consult with the financial aid office or CSAC if you believe there is an error.

WebGrants To Do's

1. Check your award status and amount for the Cal Grant and Chafee Grant

2. Verify if there are any "pending" items or forms that still need to be completed

3. Confirm that your school of attendance is accurate. This is referring to the college you plan to attend, not your high school.

4. Verify that your GPA has been received. If not, contact your high school counselor or the California Student Aid Commission (CSAC).

5. Enter your high school graduation date. This will become available on the 1st day of the month of your planned graduation month.

6. If you applied for Chafee Grant, check that your "Department of Social Services Record" is complete to verify your foster youth status. Note: This is only verified monthly so it may take up to 6 weeks before this is verified. If it is not matched, visit chafee.csac.ca.gov to submit a verification form manually.

Congrats! You Did It!
