2025 TAX SEASON

ABOUT THIS GUIDE

The purpose of this guide is to walk you through the process of filing your taxes from beginning to end for free using the **TaxSlayer's free filing site**, www.MyFreeTaxes.org.

Self-filing is a good option for young adults who:

- are filing the most recent year tax return (2024),
- are comfortable using online tax software,
- want to learn how to file on their own, and
- have earned less than \$67,000 in 2024.

Not sure about self-filing? If you don't believe self-filing is the best option for you, there are Volunteer Income Tax Assistance (VITA) sites you can visit for free one-on-one assistance from a certified volunteer tax preparer. Use this roster to identify a VITA site:

<https://jbay.org/resources/fy-vita-sites/>

ATTENTION!

This is the third year that current and former foster youth may claim the **California Foster Youth Tax Credit (FYTC) worth up to \$1,154 in 2025.**

For more info on eligibility and how to claim this credit, please see “STEP 7: State Tax Return” beginning on slide 38.

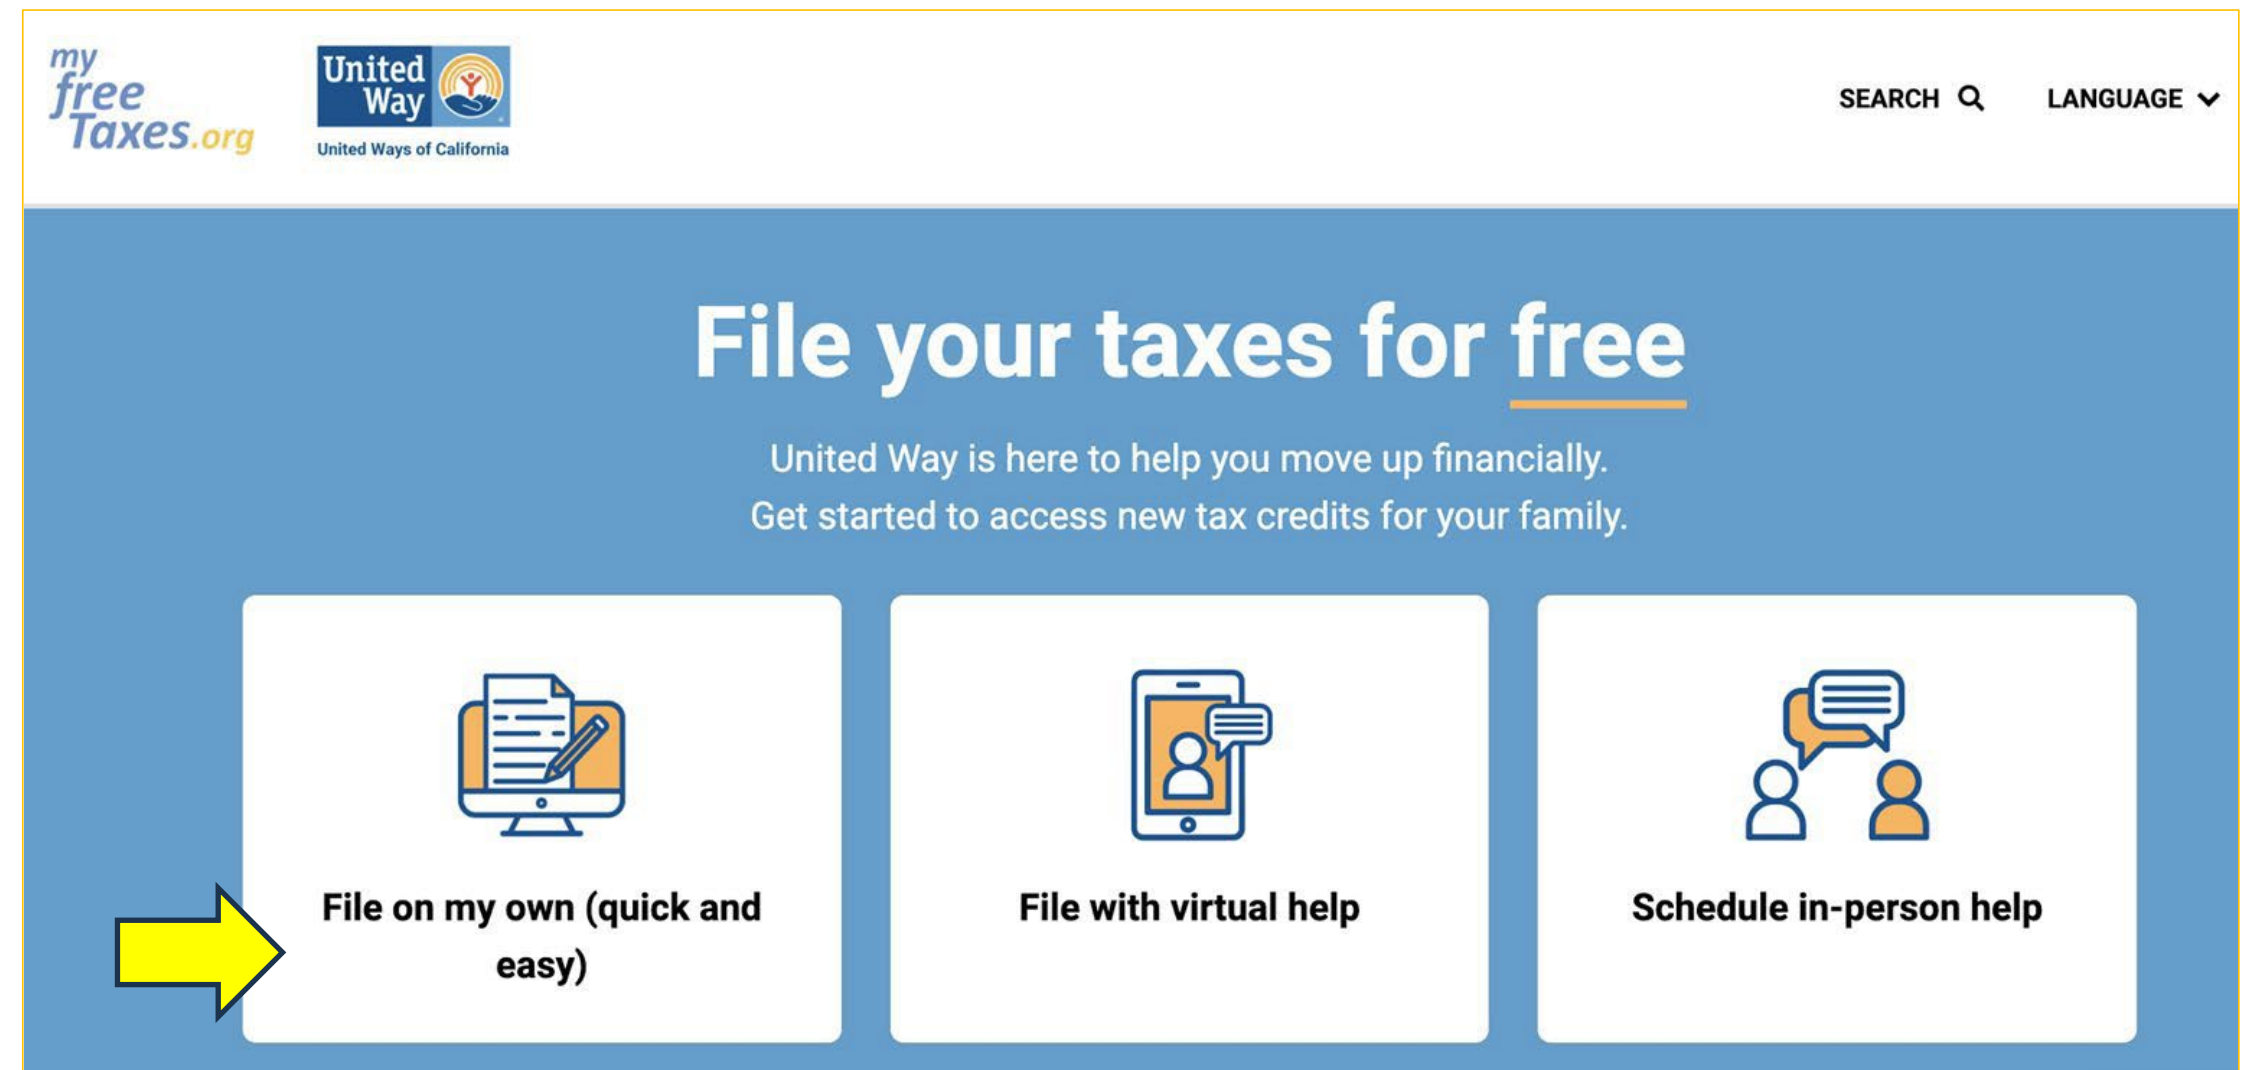

STEP 1: CREATE AN ACCOUNT

(with 'name@example.com' entered), 'Your phone number?' (with '(xxx) xxx-xxxx' entered), and 'Your zip code?' (with 'Enter 5 digit zip code here...'). There is a checkbox for 'Would you like to sign up to receive resources about other credits, benefits, and services by email or text?' with 'Yes' selected. A disclaimer states: 'By selecting yes, you agree to receive updates and communication from United Ways of California. You may unsubscribe at any time. We will not sell or distribute your email address to any third party at any time. View our Privacy Policy.' At the bottom, a blue button labeled 'GET STARTED FILING' is highlighted with a yellow box and a yellow arrow. A 'Questions?' link is in the bottom right corner. File your tax return!

STEP 8

- File Your Return > **Click YES.**
- **Make sure you have your Adjusted Gross Income (AGI) accessible** from the prior year tax return which allows you to file your return electronically. It can be found on line 8b of the Form 1040.
 - **Or, if this is your first time filing taxes,** enter “\$0” as your AGI.
 - **Or, if you have an Identity Protection (IP) Pin,** enter it when prompted, instead of your prior-year AGI.
- **If you do not have a copy of last year’s tax return or an IP Pin,** use the [IRS Get Transcript Online](#) tool to view your AGI. You must pass the [Secure Access](#) identity verification process. Select the Tax Return Transcript and use only the “Adjusted Gross Income” line entry.

Ready to file?

If you're done with all the returns you need to file, we can get some final details and finish up!

Are you ready to keep going?

- ☐ Yes, I'm done with my return(s) and ready to file!
- ☐ No, I'm not ready.

STEP 8

Read the information to the right, to learn what you will need to file your tax return and receive your refund, if you qualified for one.

There are two ways to file your tax return:

- 1) **E-file your return** or
- 2) **Send a paper copy** to the both the IRS and California Franchise Tax Board (CA FTB).

To File a Paper Tax Return:

- IRS: <https://www.irs.gov/filing/individuals/how-to-file>
- CA FTB: <https://www.ftb.ca.gov/file/ways-to-file/index.html>

If you qualify for a tax refund, there are two ways to receive your refund:

- 1) **Direct Deposit** or
- 2) **Paper check**

To receive a direct deposit, you will need:

- Your Bank account routing number or
- Your Cash App routing number

To Receive a Paper Check from the IRS or CA FTB, you will need a reliable and safe address.

If you don't have a safe, reliable address where you can receive your refund, consider using a local foster youth center or Independent Living Program (ILP); the office of your current/former social worker or dependency attorney, probation officer, or case manager; or, if you have one, your CASA, housing program, or current/former foster parent/caregiver.

AFTER FILING

Check the Status of Your Return

More tips on “After Filing” can be found here:

<https://jbay.org/resources/after-filing-fy/>

When your Federal and/or state return(s) have been processed, **an automatic notification is sent to the e-mail address associated with your account**, as well as to the mailbox within your account located in the navigation menu on the left side of the screen. **If you did not receive the e-mail notification, be sure to add TaxSlayer to your safe senders list so that their messages are not delivered to your SPAM or JUNK folder.**

Once your Federal and/or state return(s) have been accepted, you will be able to login to your account from the TaxSlayer homepage and access your accepted Federal and/state return(s) directly from the "My Account" screen shown under the "Return Status" tab. **You can click on the print button to print your returns.**

AFTER FILING

Save Your Files & Keep them Safe

Save a copy of your return and your tax documents and receipts on a password protected computer or print a copy and save your return in a locked filing cabinet along with your tax documents.

Need to Amend a Return?

Did you already file but need to file an Amendment, meaning correct something on your tax return? You may want to consider filing an amendment if you missed a document, chose the wrong filing status, did not claim a dependent of yours, or missed a credit or deduction. If so, follow the directions here to correct your tax return:

<https://www.taxlayer.com/tax-amendments>. You can also amend your return at a VITA site: <https://jbay.org/resources/fy-vita-sites/>.

AFTER FILING

What if my Return was Rejected?

The email notifying you of the rejection should provide the reason. Make corrections by logging back into TaxSlayer and re-file. If that doesn't work, you may have to file a paper return or contact the IRS. The most common reasons for rejection are:

- Employer EIN does not match IRS information
- Social Security number does not match IRS name
- Someone already filed using your Social Security number (identity theft)
- IRS identity theft PIN is wrong or was omitted
