

# John Burton Advocates for Youth LA College Graduation Celebration

May 29, 2026 - 11:30am - 2pm  
Cal State LA Ballroom  
5151 State University Dr., Los Angeles

This event is intended to acknowledge and celebrate current and former foster youth in LA County who have earned an Associate's degree, Bachelor's degree, or have completed a certificate program during the 2025-26 academic year. In addition to celebrating their success, we will be offering a buffet luncheon and ceremony where graduates will receive an award and a special gift in recognition of their incredible accomplishments.

Students are allowed to bring one guest to this event. Adult supporters may register students on their behalf. We encourage all graduates to upload a photo of themselves during registration to be included in the event slideshow.

**Everyone must register to attend the event.  
Please register by May 15, 2026.**
